People say rainy season is the most romantic,

And I say it's true,

Coz it's the season I found you,

You were wearing blue and me black,

But a good fortune is what I lack,

Oh! baby, when I saw you for the first time,

I just wanted so badly to make you mine,

Days passed along and I stood there waiting,

I wanted to tell you what I was feeling,

But then I realised, I need to make myself worthy of you,

And so making myself better just for you,

I may sometimes think that I lost you forever,

But it's just my possessiveness that stops never,

I know someday or the other I'll make you mine,

And we'll lead our lives together and shine.
